POLICIES

FIT CLUB of Volusia has established a philosophy and reputation for being a warm and friendly recreational facility with safe quality instruction. Students quickly notice enthusiasm, warmth, and encouragement coming from our instructors. We have a genuine love for people that makes FIT CLUB unique.

However, because of this relaxed family atmosphere, a few of our members forget that we are foremost a business. There are certain procedures to which we must adhere in order to meet our obligations and to continue providing you with quality service. One of these procedures is the timely payment of monthly tuition. There are twelve monthly sessions each year. They do not always coincide exactly with the calendar months, but our club calendar clearly directs members to each session's starting date. Take note that it is your responsibility to pay for the student's tuition during the first week of the tuition session. We always do our best to remind you of the dates when a new session begins and ends. Not only do we provide a yearly calendar, but we also post colorful signs at the entrance the week before, the week of, and the week following the collection of tuition money. If your payment is not received during the first week of tuition a late fee will automatically be added and your child will not be allowed to enter the second class of the session. We truly love each and every student and do not want to embarrass them. So, please, don't send them to class the second week of a session without payment. Communication is also extremely important in all situations. If you have an unusual circumstance, we will try to work with you if at all possible.

Please note that when a student is enrolled in a class, space is reserved for that student. We do not give refunds for registration or reimbursements for unused tuition for any reason.

Now regarding illness, if your student is sick or unable to attend the first class of a session, it is still necessary to make payment during that first week and to call the office. Please do not verbally attack the office help when you receive a reminder or a late fee. We provide reminders as a courtesy and help to our parents. If it is an embarrassment for you to be approached about payment, please know that it is just as embarrassing for us. Promptness will avoid any problems. Please help us to keep FIT CLUB a fun filled family center.

Thank you for your cooperation!

Ken Pfeifauf

I have read the above information and agree to comply with any and all of the rules set forth by FIT CLUB.
