

FIT CLUB'S SCHOOL PICK-UP PROGRAM

The School Pick-up Program at Fit Club is designed for students from Kindergarten through fifth grade as well as some middle schools. This is to help parents with transportation needs. Our primary goal is fitness through activity. We offer Gymnastics, Dance, Tumbling, Cheerleading, Ninja Zone, and Martial Arts as a way to stay active. You have your choice of classes, which you will select before your child begins. The children will be separated by age and be located in our lower building. Each day they will be brought to the main gym for their class. A teacher will be in charge of their study time. At end of day pick-up time, students will be able to be picked up from the lower buildings.
